	SARA (Substance Abuse Research Association)	Key populations of IDP communities, Drug Users and their families are criminalized and often face further violence and trauma, which can lead to anxiety, depression and other stress-related disorders. Many within these communities experience stigma and discrimination, which can prevent them from seeking medical services. The combined impact of trauma from ongoing conflict, uncertainty and disruptions to life caused by COVID-19, and stigmatization has resulted in immense vulnerability amongst targeted communities. Drug-using community members from these populations often cannot maintain employment, support families, or participate in community life. They have poor health outcomes and are at risk for contracting HIV or other anxiety and depressions. To address these issues, SARA provide mental health counseling using the Johns Hopkins University (JHU)-developed Common Elements Treatment Approach (CETA) methodology, to target populations of Kachin . The services from SARA are Tele-counseling, MHPSS counselling, Awareness sessions in camps and communities and social media with IEC materials and psychological support for clients.	မနိစီ - အမှတ် ၈၂/၄၉၊ အလောင်းဘုရားလမ်း၊ ကဆင်ခုံရပ်ကွက်၊ မနိစီမြို့၊ ဆက်သွယ်ရန် - ဆရာ ဝင်းမျိုး (ဖုန်း - ၀၉ ၇၇၉ ၀၁၆ ၆၄၉) Facebook Page "မိသားစု-မိတ်ဆွေအဖွဲ့အစည်းများအတွက် - SARA" (Facebook လူငါး) <a href="https://www.facebook.com/%E1%80%99%E1%80%AD%E1%80%9E%E1%80%AC%E1%80%B8%E1%80%85%E1%80%AF-%E1%80%99%E1%80%AD%E1%80%90%E1%80%B9%E1%80%B1%E1%80%86%E1%80%BC%E1%80%B1%E1%80%90%E1%80%BC%E1%82%95%E1%80%86%E1%80%AF%E1%80%B6%E1%80%B1%E1%80%86%E1%80%BC%E1%80%B8%E1%80%B1%E1%82%8F%E1%80%BC%E1%80%B8%E1%80%9B%E1%80%AC%E1%80%B1%E1%80%94%E1%80%9B%E1%80%AC-SARA-115083520348666">https://www.facebook.com/%E1%80%99%E1%80%AD%E1%80%9E%E1%80%AC%E1%80%B8%E1%80%85%E1%80%AF-%E1%80%99%E1%80%AD%E1%80%90%E1%80%B9%E1%80%B1%E1%80%86%E1%80%BC%E1%80%B1%E1%80%90%E1%80%BC%E1%82%95%E1%80%86%E1%80%AF%E1%80%B6%E1%80%B1%E1%80%86%E1%80%BC%E1%80%B8%E1%80%B1%E1%82%8F%E1%80%BC%E1%80%B8%E1%80%9B%E1%80%AC%E1%80%B1%E1%80%94%E1%80%9B%E1%80%AC-SARA-115083520348666</a>
