Sanchaung	Myanmar Clinical Psychology Consortium (MCPC)	<p>MCPC is a group of Myanmar and international mental health professionals and community partners. MCPC is not a mental health clinic and does not provide counselling or psychotherapy services. Counselling services can be accessed through MCPC alumni and other qualified mental health professionals listed elsewhere in the UNFPA's MHPSS Referral Directory.</p> <p>The graduate level clinical/counseling psychology 1.5-year-long diploma program with clinical practicum and supervision is no longer provided till further notice.</p> <p>MCPC provides continuing education courses on specific topics, staff care sessions, clinical consultancy and clinical supervision to staff at NGOs and other community-based organizations who provide direct mental health and psychosocial services. These services are live online or can be arranged for in-person delivery if circumstances allow. We assemble an appropriate team for each project based on the organization's needs and available grant/fund.</p>	mcp.officer@gmail.com
