

Remote Mental Health and Psychosocial Support Directory - Myanmar

စိတ်ကျန်းမာရေး နှင့် စိတ်လူမှုဆက်ဆံရေး အထောက်အပံ့

Remote Services

Name of the service provider/organization	Languages Available	Hours of Operation	Target Population <i>(example: general population, persons in quarantine, children, women, elderly etc.)</i>	Type of Remote MHPSS Services	Access services through (please provide chat address, phonenumber, hotline number or app)
UNFPA	English & Burmese	Based on appointment	General population, women and girls, child and adolescents. We accept everyone from all the geographical locations across Myanmar.	UNFPA Myanmar has created a platform to connect people who may need mental health and psychosocial support with the service providers. The team is consisted of Burmese speaking mental health professionals with diverse backgrounds, including clinical psychologists, psychiatrists, and professional counselors. Services that are provided remotely by the team include basic emotional support, psychological first aid (PFA), counseling, psychotherapy, and psychoeducation . However, the team will consider types of service based on the initial assessment of clients' needs and/or emotional challenges they may face.	Client need to indicate their interest in receiving the service in an individual or group setting through the booking page below: https://www.mentalhealthsupportmyanmar.org/booking
